Dear Cynthia:

Wags and purrs from all of the animals at the Humane Society of Broward County for helping to make this year's *Walk for the Animals* such a big success. With each passing year the Walk gets bigger and better. Thanks to you, this year was no exception.

Having the Rachlin Rascals pack attend the event was an excellent way to show your community spirit, and we truly appreciate all of your support. Our records show that your pack raised \$2,478.00 for the event, and with your pack's support, we were able to raise a net of \$480,000 to help the animals and the money keeps coming in. This is the largest fundraiser the Humane Society of Broward County has every year and we are glad that you could be a part of this wonderful day. The money donated will help the Humane Society of Broward County to carry out their mission to provide shelter, aid and responsible adoptions to animals entrusted to them, and educate the community about respect and kindness to all animals.

If you have any ideas or suggestions on how we can make this an even better event or know of anyone who may want to also organize a pack next year, please feel free to contact me. Thank you again for your support and we hope you will continue the tradition of walking with your pack next year at **Walk for the Animals 2010!**
