

# This month's Jeans Day supports

## *Brianna Yowell*

Brianna Yowell is a Broward County teen in need of a double lung transplant. Brianna suffers from Cystic Fibrosis—a disease for which there is no cure. A double lung transplant, which can cost up to \$500,000, will help increase Brianna's life expectancy, while making breathing easier. Your contribution will help support the efforts of the Children's Organ Transplant Association to raise funds for this life-changing operation.

**The Rachlin Foundation matches  
100% of the money collected.**

**Please submit your \$5 donation to:**

**Miami** Wanda Casola    **Ft. Lauderdale** Barbara Edmunds

**West Palm Beach** Linda Kibben
