Dear Mr. Futterman:

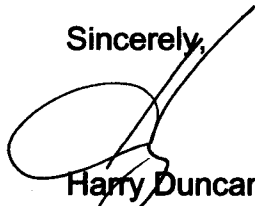

Michael

I send a very special holiday greeting and thank you on behalf of the Early Learning Coalition of Broward County, Inc. and the many children and families we serve for your nomination of the Coalition to be a beneficiary of the Rachlin Foundation's October Jeans Day fundraiser.

We were pleasantly surprised to receive the \$840 donation from the Rachlin Foundation. This donation has the potential to be matched *dollar-for-dollar* through the state of Florida's Child Care Executive Partnership (CCEP) program, thus further expanding the positive impact in the Early Care and Education system.

Again, I thank you for nominating the Coalition to be a partner with the Rachlin Foundation in making a true difference in our community. We applaud your interest and commitment in creating a brighter educational future for all children in Broward County.

Sincerely,

Harry Duncanson
Board Chair

Thanks!
